

Grinder & Chipper

Winter Maintenance Program

Peterson Machine Owners – here is a great opportunity to get your **Peterson Grinder or Chipper** in top shape for 2010. In some parts of the country, winter signals a slowdown in activity which presents an excellent time to complete much needed maintenance and repair work on inactive machines. Replacing key components now with **genuine Peterson parts** can reduce costly downtime later and improve machine performance.

During the months of **December, January, and February**, Peterson is offering a **Winter Maintenance Program** that allows **Peterson Machine Owners** a **10% discount** on selected Peterson parts. Contact your lo-

cal Peterson Parts Sales & Service Rep or give our Factory Parts Sales Reps a call today to place your **Winter Maintenance Program** order. Minimum order to qualify for the program is \$1,000 and if your order reaches \$6,500 total, **Peterson will split the Freight** with you. This is a stand alone promotion and only parts listed below are eligible for the additional discount and freight allowance. Parts to begin shipping from factory 10 days after receipt of order.

Take advantage of the Peterson **Winter Maintenance Program** and get your **Peterson Grinder or Chipper** ready for maximum performance in the new year.
